MEMORANDUM FOR: Associate Deputy Director for Intelligence
SUBJECT : Request to Make a Public Appearance

1. We request approval to present a paper based on the attached abstract at the annual meeting of the Southern Economic Association in New Orleans on 13-15 November 1975.

2. Our paper will discuss some results of our research on Soviet input-output tables. Dr. Francis W. Rushing of Georgia State University is chairman of the session on the Soviet economy, at which we propose to present our paper. Dr. Rushing is familiar with our work through mutual contacts with Dr. Vladimir Trembl of Duke University, who is a leading authority on Soviet input-output tables. Dr. Rushing has tentatively scheduled our paper for his session, pending security approval. Our paper will not use any classified information or reveal any methodologies peculiar to intelligence production.

3. We also request approval to permit our identification as analysts following Soviet economic affairs at the Central Intelligence Agency.
